Civil No. JFM-10-863

JOINT MOTION TO AMEND SCHEDULING ORDER

Plaintiff, Maurice Bernard Stewart, Jr., and Defendants, Correctional Officer Daniel Lee Flanary and former Correctional Officer David Logsden, by their undersigned attorneys, file this joint motion to amend the scheduling order, for the following reasons:

1. To properly address the issues in this case, undersigned counsel request that the scheduling order be amended so that discovery may continue until July 12, 2013.
2. This joint request is made because Plaintiff's counsel issued subpoenas to Meritus Health and a number of its employees in December 2012. Plaintiff's counsel worked with the attorney for Meritus Health to identify employees for depositions. Numerous demands were made to Meritus Health to obtain the needed information. Plaintiff's counsel did not receive its requested information until March 27, 2013.
3. Counsel continue to diligently consult with one another and are amicably continuing to proceed with discovery to further determine the facts of the case.
4. A proposed order is attached.
5. As discovery is almost complete, undersigned counsel anticipate that this will be the final motion to amend the scheduling order.
6. This Motion is not made for purposes of delay.

WHEREFORE, it is respectfully requested that this Court amend the scheduling order.
